

ESWARI S,

B.E. Information Technology,
Annamalai University, Chidambaram.

Mobile No.: 9344471487

Email Id: eswarisankar619@gmail.com

LinkedIn: <https://www.linkedin.com/in/eswari-sankar>

GitHub: <https://github.com/EswariSankar>

Portfolio: <https://eswarisankar.github.io>

Objective:

To be part of an esteem organization to develop my skills and competencies and to give my fullest efforts to have a meaningful contribution for the company.

Education:

- Bachelor of Engineering (**Information Technology**) from **Annamalai University** with **9.3 CGPA**.
- Completed **12th** Standard from St.Anne's girls Higher Secondary School with **92 %** in **2022**.
- Completed **10th** Standard from St.Anne's girls Higher Secondary School with **98 %** in **2020**.

Technical Skills:

- **Frontend:** React.js, React Native
- **Backend:** Python, Django REST Framework
- **Tools & Technologies:** Git, Github, VScode, Metamask, SQL

Projects:

- **Real-Time Driver Drowsiness Detection and Centralized Transport Management System:**
Built an integrated system combining driver safety monitoring (EAR-based drowsiness detection, smartwatch heart-rate tracking, MQ-3 alcohol sensing via ESP32) with bus fleet management (GPS tracking, staff scheduling, passenger booking, and complaint handling) using React.js and Django REST Framework.
- **Car Rental Decentralized Application (DApp):**
A blockchain-based car rental platform built with React.js, Web3.js, and Solidity smart contracts deployed via Hardhat, enabling secure peer-to-peer vehicle rental transactions with MetaMask wallet integration.
- **Pothole Detection System:**
Developed a Pothole Detection System to detect Potholes on roads to decrease accidents and enhance safety using image processing and Python.
- **Virtual Mouse Control System:**
A gesture-based human-computer interaction system using Python, OpenCV, and MediaPipe that tracks hand landmarks in real-time via webcam to control mouse cursor movements, clicks, and taking screenshots without any physical input device.

Certifications:

- Completed a 30 days internship on UI/UX.
- Completed a 30 days internship on Blockchain Technology & Unreal Engine Development.
- NPTEL Certification in “Introduction to Industry 4.0 and Industrial Internet of Things.”
- NPTEL Certification in “Privacy and Security in Online Social Media.”

Extracurricular Activities:

- Member of Information Technology Association at Annamalai University.

Declaration:

I hereby declare that the above information is true to the best of my knowledge.
