OBJECTIVE

To be part of an esteemed organization to develop my skills and competencies and to give my fullest efforts to have a meaningful contribution for the company.

ACADEMIC QUALIFICATIONS

- Bachelor of Engineering (**Information Technology**) from **Annamalai University** with **9.3 CGPA**.
- Completed **12th** Standard from St. Anne's girls Higher Secondary School with **92 %** in **2022**.
- Completed **10th** Standard from St. Anne's girls Higher Secondary School with **98 %** in **2020**.

TECHNICAL EXPERIENCE

- **Frontend:** React.js, React Native
- **Backend:** Python, Django REST Framework
- **Tools & Technologies:** Git, Github, VScode, Metamask, SQL

PROJECT EXPERIENCE

- **Real-Time Driver Drowsiness Detection & Transport Management System**

Developed a driver safety and transport management system that detects drowsiness using Eye Aspect Ratio (EAR), monitors heart rate and alcohol levels using sensors, and provides transport management features using React.js and Django REST API.

- **Car Rental Decentralized Application (DApp)**

Developed a blockchain-based car rental platform using React.js, Solidity, and Web3.js with smart contracts and MetaMask integration for secure vehicle rental transactions.

- **Pothole Detection System**

Built a computer vision-based pothole detection system using Python, OpenCV, HOG feature extraction, and SVM classifier with a Tkinter interface to identify road damage and improve safety.

- **Virtual Mouse Control System**

Developed a gesture-based virtual mouse using Python, OpenCV, and MediaPipe to control cursor movement, clicks, and screenshots through real-time hand tracking.

INTERNSHIP EXPERIENCE

- Completed 30 days internship program on “**User Interface & User Experience**” jointly conducted by Annamalai Innovation and Incubation Research Foundation – EDII, Annamalai University and Yazhi Software Solution.
- Completed 30 days internship program on “**Blockchain Technology & Unreal Engine Development**” offered by Esteem E Technologies Chennai Pvt.ltd.
